## 5 GOOD REASONS TO CHOOSE YARRAH BIO-ORGANIC DOG FOOD

### PURE FOOD

REINES FUTTER • ZUIVER VOER  
ALIMENTATION NATURELLE

What doesn't belong in food doesn't go into our pet food, period. That's why we use organic ingredients. A trusted recipe for more than 25 years.

### PERFECT PROTEIN & FAT BALANCE

AUSGEWOGENES PROTEIN- FETT VERHÄLTNIS  
PERFECTE PROTEÏNE- EN VETBALANS  
PARFAIT ÉQUILIBRE EN PROTÉINES ET GRAISSES

We start off by selecting the highest digestible sources of protein. Large or small, young or old, lazy or active: we add the right amount to make sure your dog gets exactly what it needs.

### CARE FOR ALL ANIMALS

BESSER FÜR ALLE TIERE • BETER VOOR ALLE DIEREN  
PRENDRE SOIN DE TOUS LES ANIMAUX

Our ingredients come from animals that have had a better life: free roaming, longer life, better fed. And we don't do any animal testing. Even better: we let our own and other people's dogs taste our new foods at home. Best way of testing!

### FOR A BETTER PLANET

FÜR EINE BESSERE WELT  
VOOR EEN BETERE AARDE • POUR UNE MEILLEURE PLANÈTE

Every day we try to make a change for the better. Our ingredients have not been treated with pesticides or other chemicals. We don't play with Mother Nature and rest assured: no forests were destroyed for the fields from which we harvest our ingredients.

### FOR HAPPY HEALTHY DOGS

FÜR GLÜCKLICHE GESUNDE HUNDE • BLIJE EN GEZONDE  
HONDEN • POUR CHIENS HEUREUX EN BONNE SANTÉ

Ultimately that's why we do what we do: we like to see happy energetic dogs bursting with life. Find out for yourself how fit and healthy your dog can be. And do let us know!
